

HERE IS A SUGGESTION, SOURCE UNKNOWN, THAT HAS BEEN MAKING THE ROUNDS - If you are being forced to Vax in order to keep your job, the secret is NOT to refuse it:

*'I write with regard to the matter of potential covid vaccine and my desire to be fully informed and appraised of ALL facts before going ahead.*

*I'd be most grateful if you could please provide the following information, in accordance with statutory legal requirements:*

*1. Can you please advise me of the approved legal status of any vaccine and if it is experimental?*

*2. Can you please provide details and assurances that the vaccine has been fully, independently and rigorously tested against control groups and the subsequent outcomes of those tests?*

*3. Can you please advise of the full list of contents of the vaccine I am to receive and if any are toxic to the body?*

*4. Can you please fully advise of all the adverse reactions associated with this vaccine since it's introduction?*

*5. Can you please confirm that the vaccine you are advocating is NOT 'experimental mRNA gene altering therapy'?*

*6. Can you please confirm that I will not be under any duress from yourselves as my employers, in compliance with the Nuremberg Code?*

*7. Can you please advise me of the likely risk of fatality, should I be unfortunate to contract Covid 19 and the likelihood of recovery?*

*Once I have received the above information in full and I am satisfied that there is NO threat to my health, I will be happy to accept your offer to receive the treatment, but with certain conditions - namely that:*

*1. You confirm that I will suffer no harm.*

*2. Following acceptance of this, the offer must be signed by a fully qualified doctor who will take full legal and financial responsibility for any injuries occurring to myself, and/or from any interactions by authorized personnel regarding these procedures.*

*3. In the event that I should have to decline the offer of vaccination, please confirm that it will not compromise my position and that I will not suffer prejudice and discrimination as a result?*

*I would also advise that my inalienable rights are reserved.'*

The point being that they CANNOT provide that information and you've NOT refused.
